

LPGA GOLF 101

Golf for women, from LPGA Teachers

We recognize that women are not one size fits all, which is why this Intro to Golf Program – conducted by Women for Women, follows the overall student-centered LPGA Integrated Performance System to guide you through a comprehensive “Welcome to Golf” 6-week program for new or relatively new female golfers.

Through this LPGA program you will take your first step in your journey to learn, play and enjoy the game of golf.

Your LPGA professional will provide you with a base of knowledge, golf skills and most importantly the confidence required to get on course.
